Stephen Ministry

This Sunday there will be an informational, question and answer time in the Chapel between services for anyone who is interested in becoming a Stephen Minister. You would apply and attend a series of classes with other lay people that teach you to become better listeners and care givers to others who are experiencing difficulties in life. The benefits are unbelievable as those who have participated know how it has helped them as well as the people they are matched with to support. It is Christian caring, and you have the support of all the other Stephen Ministers and Leaders. Please consider coming to Sunday’s meeting between services to learn more and how to apply. New classes start August 2025.
