Stephen Ministry

The Grammy awards are presented in early February, according to vanity fair.com the host is not yet determined but they know that there will be some fascinating nominees and predict that the show will be well worth your time.

Whether the event brings you the joy of watching who is wearing what and who is with who it looks very spectacular, or anxiety by thinking I have not achieved anything or not part of the world's fun in anyway. We do have Gods promise that we who have accepted Jesus Christ as our personal savior and recognize him as the son of God will be part of the ultimate spectacular event and will be clothed with royal heavenly attire as well as wearing a crown.

Whether you have anxiety from looking at the world and wondering why not me or you have other pressing matters in your life that are causing you stress and the ability to cope or participate in life fully. Our Stephen Ministers are available to walk with you through your time of stress.

If you think you would like to have a Stephen Minister to talk with or you know of someone who may need or want a Stephen Minister, you can contact Gayle Thielen at gcblade@aol.com, or call her at 574-370-3427. You may also contact any Stephen Minister or Stephen Leader and they will pass on your information to Gayle.
