Stephen Ministry

As we begin the month of November, our thoughts naturally turn toward gratitude and thanksgiving. We thank God for His many blessings, for our church family, and for the caring relationships that sustain us through life's joys and challenges.

While this season encourages us to count our blessings, it can also be a difficult time for those who are grieving, feeling lonely, facing illness, or carrying other burdens. If you are going through a challenging season, you do not have to walk alone.

Stephen Ministry provides confidential, one-to-one Christian care for individuals experiencing life's difficulties. Trained Stephen Ministers offer a compassionate listening ear, encouragement, and Christ-centered support. Through this ministry, God's love is shared in practical and meaningful ways.

As we enter this season of thanksgiving, we give thanks for the privilege of caring for one another. If you or someone you know could benefit from the support of a Stephen Minister, please contact the Referrals Coordinator, Gayle Thielen at 547-370-3427 or John Moore at 574-238-4906.

"Therefore, encourage one another and build each other up."
